Nurse practitioners who have not maintained the minimum number of NP practice hours (600 hours in 2 years) and wish to apply to renew their practicing NP licence must complete and submit this application to the Registration and Licensing Committee. You may use the Additional Information section to provide details about your NP practice since graduation from your NP program and since you last practiced as an NP. Any education or professional development activities completed related to NP practice should also be included. Please send a current resume with your application.
